What is the change of life ?

- SINCE NOW WE HAVE BEEN THINKING ABOUT QUALITY OF LIFE...INFRASTRUCTURE ,CONSTRUCTION...
- Is that the right CHANGE, WHAT WE NEED?

NO,

CHANGE MUST BE AN ANSWER TO THE CHANGE OF THE WORLD !

How does change our world ?

- 
- Becomes older
 - Loses the anchor
 - Consumes more and more
 - (and produces...)
 - Shares virtually
 - The manner of governance is changing
 - *It ensures in feeling,
we cannot change anything*

Change of life as the answer to global change

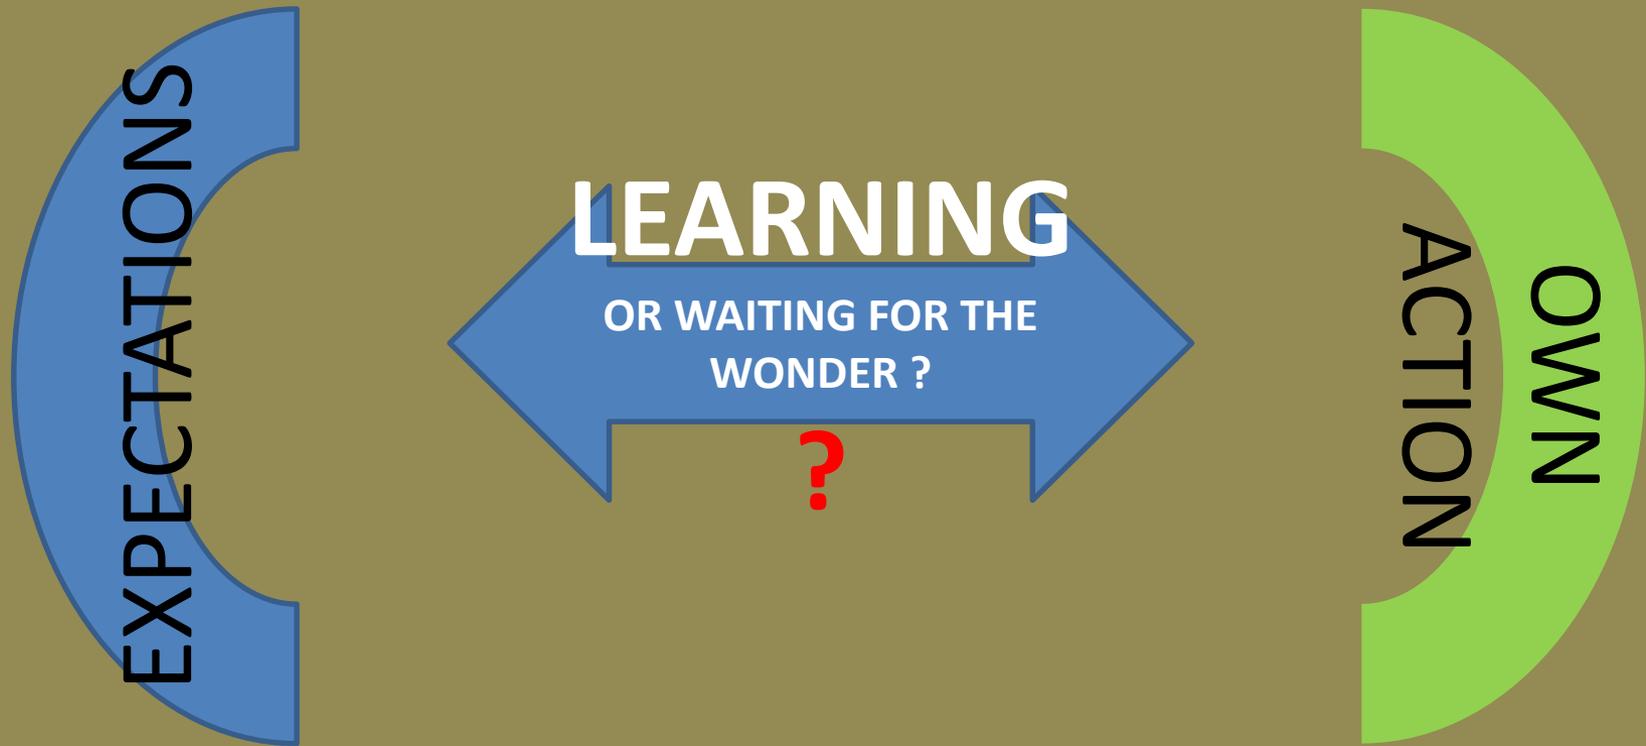

Nobody gives
anything to
us *top down*

- **Think globally** (who is beneficiant?)

I am
responsible

- **Act locally** (there is enough for all of us)

How to reach the change?

NECESSARY CHANGES OF MIND FOR RURAL PEOPLE ?

- **LEARNING HAS ITS VALUE
COUNTABLE IN MONEY**
- **I HAVE TO LEARN ALL THE LIFE**
- **WE CAN HELP OURSELVES, IF WE
KNOW HOW TO DO IT**

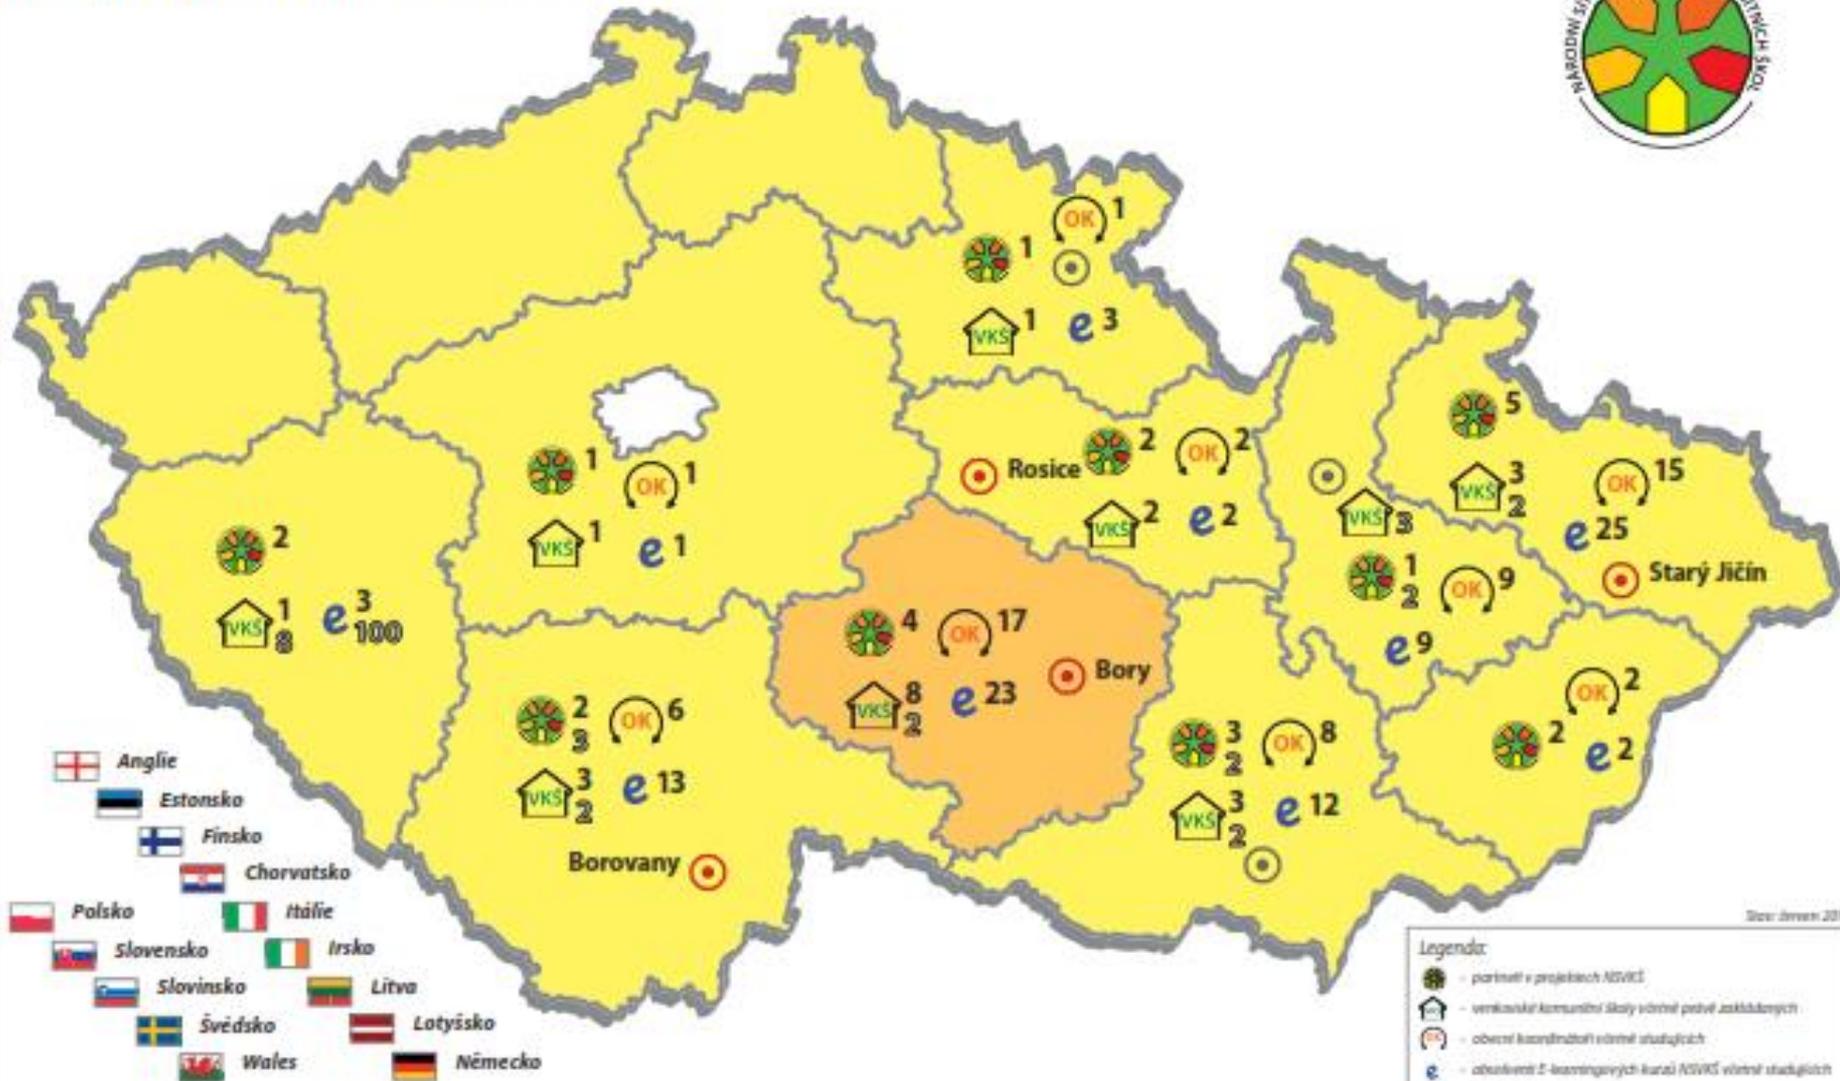

P A T H ?

- FOUNDED RURAL COMMUNITY SCHOOLS
- TO USE DISTANCE LEARNING
- CHANGE THE PEOPLE'S MIND
